Goals of this programme are as follow:

- To build an understanding of the development agenda within institutes of Higher Education and an institutional capacity and training relevant to national needs, especially those of rural India.
- To re-emphasize the need for field work, stake-holder interactions and design for societal objectives as the basis of higher education.
- To stress on rigorous reporting and useful outputs as central to developing new professions.
- To provide rural India and regional agencies with access to the professional resources of the institutes of higher education, especially those that have acquired academic excellence in the field of science, engineering and technology, and management.
- To improve development outcomes as a consequence of this research. To develop new professions and new processes to sustain and absorb the outcomes of research.
- To foster a new dialogue within the larger community on science, society and the environment and to develop a sense of dignity and collective destiny.

Career guidance Programme for MBA /CAT exam

A seminar on **Career guidance Programm for MBA /CAT exam** was held at **VIPER, ALE** on **10/01/2019** By **Mr. Abhale Ganesh, sharadchandra Pawar Institute of MBA Otur..**

Mr. Abhale Ganesh, delivered a lecture on managing finances. He said that one has to create a budget, control debt, set goals, identify requirements and place a value for money. He expressed that money cannot buy happiness, but it can certainly make one comfortable. The main point lies in understanding its worth. Each purchase represents a trade-off. One has to make the decisions wisely. Most of the financial decisions are a result of one's behavior. This may be difficult to monitor, but how we buy household items and one-off things such as car decides how our finances will shape up.

Youth for Emotional intelligence

Emotional intelligence is the ability to understand, use, and manage our emotions. Emotional intelligence is sometimes called EQ (or EI) for short. Just as a high IQ can predict top test scores, a high EQ can predict success in social and emotional situations. EQ helps us build strong relationships, make good decisions, and deal with difficult situations. **Dr, Dilip Shivane** conducted very interactive session on Youth for Emotional intelligence Participants get the details about following thing:

Emotional intelligence is a combination of several different skills:

- Being Aware of Your Emotions
- Understanding How Others Feel and Why
- Managing Emotional Reactions
- Choosing Your Mood

Woman Health Awareness Programme	
DATE	15/02/2018
VENUE	VIPER ALE
NAME OF RESOURCE PERSON	Dr. J. B. Pawar, BAMS, DGO (Gynecologist), Ale
NUMBER OF STUDENTS PARTICIPATED	65

Woman Health Awareness Programme

A seminar on **Woman Health Awareness Programme** for girls was held at **VIPER, ALE** on **15/02/2018**. During this seminar **Dr. J. B. Pawar** guided our students regarding health fitness.

Menstrual Hygiene Management is a subject of 'Silence' and discussion of the topic among women or even between mother and daughter is very limited. Menstruation is a very important natural body process among women which cannot be avoided. It is a distinct step into womanhood for the adolescent girls. Therefore it is imperative for every one of them to have awareness about menstrual hygien

Dr. J. B. Pawar oriented the students on good menstrual hygienic practices such as use of sanitary napkins; washing and cleaning; how to dispose sanitary napkins, followed by precautions to be taken during the period and dietary habits, so, as to enable them to lead a healthy reproductive life in future. The question & answer session is followed by effective videos on biological process that a woman's body undergoes during menstruation.

The VIPER, ALE organized Seminar on **Process of Starting Micro, Small, Medium, Enterprises Role of DIC**, on **03/02/2018** for the students of Pharmacy. The Seminar was conducted by **Mr. Mohan Mane**.

This report aims to demonstrate the relevance, role and contributions of Micro-, Small- and Medium- Enterprises (MSMEs) to the seventeen Sustainable Development Goals (SDGs). The report examines the role of MSMEs to each of the SDGs. The report unpacks the role of MSMEs in economic activity, in creating employment and incomes, particularly for the poor and marginalized groups, as service providers (for example in education, health, water and sanitation) and as energy users/polluters with environmental footprints. Through these lenses, it is possible to establish direct and indirect linkages between MSMEs and the seventeen goals.
