Green Policy

In VIPER Green Policy aims to preserve the campus's ecological environment and nature also different natural resources by implementing skilled techniques to build up manydiverted eco- friendly solutions.

Motor vehicles will not be permitted in academic premises, and students will not be able to drive on campus. The Green campus policy is careful to keep paving and retaining walls to a minimum and to arrange for adequate waste disposal, among other things.

There are five major categories.

- Clean Campus.
- Waste Management in the campus
- Plastic Free zone
- Environmental Monitoring
- Energy Efficiency and Conservation

This is to inform you that the following points on "Save Energy" shall be read out in all class rooms.

- Turn off your monitor when you leave your table in the laboratory.
- Shut down rather than log off whenever possible.
- Use LED or compact fluorescent bulbs day light instead.
- The Students and Faculties are advised to turn off the lights and fans in class rooms, laboratories and lecture halls When not in use.
- They are advised to close the taps immediately after use in order to avoid water waste and to reduce their power bill. If any water leakage or repairs are noticed immediately report to the maintenance staff or to the department.

Green Policy

In VIPER Green Policy aims to preserve the campus's ecological environment and nature also different natural resources by implementing skilled techniques to build up many diverted eco- friendly solutions.

Motor vehicles will not be permitted in academic premises, and students will not be able to drive on campus. The Green campus policy is careful to keep paving and retaining walls to a minimum and to arrange for adequate waste disposal, among other things.

There are five major categories.

- Clean Campus.
- Waste Management in the campus
- Plastic Free zone
- Environmental Monitoring
- Energy Efficiency and Conservation

This is to inform you that the following points on "Save Energy" shall be read out in all class rooms.

- Turn off your monitor when you leave your table in the laboratory.
- Shut down rather than log off whenever possible.
- Use LED or compact fluorescent bulbs day light instead.
- The Students and Faculties are advised to turn off the lights and fans in conference rooms, class rooms, laboratories and lecture halls When not in use.
- They are advised to close the taps immediately after use in order to avoid water waste and to reduce their power bill. If any water leakage or repairs are noticed immediately report to the maintenance staff or to the department.
